(b) whether to reduce the burden of tax cases from the High Courts and reduce the period of litigation, which routinely goes upto 15 years, Government had proposed to set up National Tax Tribunal;

(c) whether various tax professionals have been opposing the move to set up the National Tax Tribunal citing judicial and technical reasons; and

(d) whether the Bombay High Court has recently clamped a stay on setting up such a Tribunal?

THE MINISTER OF LAW AND JUSTICE (SHRI H. R. BHARDWAJ): (a) As on 28th February, 2006 an amount of Rs. 63,009 crore was locked up in litigation as arrears of income tax.

(b) to (d) Due to pendency of a large number of cases in the High Courts, large revenue is blocked in such litigations. This is adversely affecting the national economy. Hence, urgent measures are required to be taken to speed up taxation matters pending before High Courts. To achieve this objective, the National Tax Tribunal was established on 6th January, 2006 under the National Tax Tribunal Act, 2005. However, the Tribunal has not yet been made functional in view of stay granted by various High Courts including Bombay High Court.
